AHRC EDUCATION DEPARTMENT CALENDAR

2021 – 2022

ALL STAFF ARE EXPECTED TO SCHEDULE PLANS ALIGNED WITH THIS CALENDAR

1. The school calendar for 2021-22 meets the New York State Education Department requirement of a minimum of 180 state aidable days.
2. School will be open on Election Day, Tuesday, November 2nd, 2021, Monday, January 31, 2022, and on Anniversary Day, Thursday, June 9, 2022 for Chancellor’s Conference Days and staff development. On all three days, students will not be in attendance. (Under Section 2586 of the Education Law, Anniversary Day is the first Thursday in June, or the second Thursday in June when the first Thursday falls within the same week as Memorial Day.)
3. A shortened session is any day when school is in session for pre-kindergarten for less than 2.5 hours of instruction, for kindergarten through grade 6 students for less than 5 hours of instruction, exclusive of lunch, or any day when school is in session for grade 7 and above for less than 5.5 hours of instruction, exclusive of lunch.
4. The school calendar takes into account the following citywide centrally-scheduled shortened sessions: two Parent-Teacher Conference shortened sessions (one in November and one in March). An early dismissal of students is to be scheduled on the last day of school, Wednesday June 29, 2022.
5. The school calendar is subject to change in order to insure compliance with contractual and/or regulatory obligations.

Progress Report Requirements per our NYC DOE contract and NYSED Regulations:

Unless a greater number is required by a child’s IEP, the Provider shall provide three (3) reports of progress per year for preschool students receiving 10 months special education services and four (4) reports of progress per year for preschool students receiving 12 month special education services as required under the terms of the Regulations of the Commissioner of Education, Part 200, section 200.4 (d)(2)(iii)(c). Further, a “final” progress report is required if the student is discharged/terminated from service more than thirty (30) days after the most recent progress report or more than thirty (30) days of service if the students period of enrollment was not long enough to have required a first progress report.
